TEA

Tea used to be a strong, virulent drink.

But today it is so weak it has to ride to the diningroom on a thirty-dollar wagon.

We owe some department store or other that much besides a debt of gratitude for supporting our share of the now puny and decrepit beverage to the table.

We know a man who frequently drives his wife into a blind rage by saying:

"Agnes, if the tea isn't able to be up and around today you might wheel us in a cup."

One of these days she'll hit him with the wagon,
